Dear Pastor,

Thank you for taking the time to review our information. We are the Strother family (Ryan, Elisabeth, Samuel, and James), missionaries to the United Kingdom. We are currently on deputation raising support to start churches in London, England. As you know, the United Kingdom was the primary Gospel-sending nation in the 1700 and 1800's. Unfortunately, today the Gospel light has largely gone out; and the United Kingdom is in need of being reseeded with the Gospel.

I studied history in London in the mid-1990s as part of my undergraduate degree. It was clearly evident that England had become very cold and hard spiritually. When I began to get my life right with God in 2000, God began to deal with my heart about returning to the United Kingdom to do a work for Him. Just as the prophet Jeremiah said over 2000 years ago, "mine eye affecteth my heart..."

It is our desire to be used of God to establish local, New Testament churches in London. It would be our privilege to be able to share our ministry with your church, and it would be an honor to partner with your church to rekindle the Gospel light in the United Kingdom.

ABOUT OUR FIELD

- National population is 61 million; 14 million live in London.
- The United Kingdom has the world's 6th largest economy.
- Over 45% of the population claim not to belong to any religion.
- Over 60% of the population claim to never go to church.
- Between 2004-2008, the number of Christians dropped by 2 million.
- Catholics are the largest "Christian" denomination in the UK today.
- London is the largest city in the European Union.
- Over 30% of London's population are foreign born.
- Over 300 languages are spoken in London.

I normally preach on a mission field somewhere each year. I often tell the national churches that churches back in America send our very best to become missionaries. We do not send our "left-overs." We send the finest young couples we have to sacrifice their lives in bringing the Gospel to other countries. There is no doubt in my mind that this is true when it comes to this dear couple. Pastor, this dear couple will make a great addition to your missions family.

Pastor Dwight Tomlinson, Pastor of Liberty Baptist Church in Newport Beach, CA

It is my privilege to recommend to you the ministry of Ryan and Elisabeth Strother to the mission field of England. They are a fine young couple, and I am thankful for their Christian character. I whole-heartedly recommend them to you for your prayerful and financial support. Your investment in supporting them will no doubt be an investment made for eternity.

Dr. Paul Chappell, Pastor of Lancaster Baptist Church in Lancaster, CA

I am so thrilled that God called Brother and Mrs. Ryan Strother to go to the United Kingdom. This is a strategic time in the history of that great country, and God is opening unbelievable opportunities. The Strothers are faithful, godly servants; and I believe that God will greatly use them. I trust you will have them in your church and partner with them in this great ministry.

Dr. Don Sisk, General Director Emeritus of Baptist International Missions, Inc.

It is a great honor for me to recommend to you Ryan and Elisabeth Strother. God has wonderfully worked in their lives to go to the United Kingdom with the purpose of starting independent Baptist churches. They, with their children, are a wonderful and godly family who will be a blessing to your church!

Dr. Bud Calvert, Pastor Emeritus, Fairfax Baptist Temple
